Edamame HUMMUS

THIS HEALTHY (& TASTY) HUMMUS LOOKS HOLIDAY-ICIOUS ON A SERVING PLATE. SERVE IT WITH SLICED RED PEPPERS, CUCUMBERS SPEARS, CELERY, AND OLIVES.

Makes about 10 x 2 Tbsp. servings

INGREDIENTS

- 1½ cups (½ lb) frozen shelled edamame
- ¼ cup (55 g) tahini (sesame butter)
- ¼ cup (60 ml) water
- ½ tsp lemon zest
- 1 lemon, juiced
- 2 cloves garlic, minced
- ¾ tsp sea salt
- ½ tsp cumin
- 2 Tbsp extra-virgin olive oil
- 1 Tbsp chopped parsley

METHOD

1. Place the edamame in a small saucepan and cover with water. Add a sprinkle of salt and bring to a boil over medium-high heat. Let boil for 4-5 minutes, and then remove from the heat and drain.
2. Let the edamame cool and then place in a high-speed blender or food processor, along with the tahini, water, lemon zest and juice, garlic, salt, and cumin. Blend until smooth. Keeping the blender/processor running, drizzle in the olive oil slowly, letting it absorb.
3. Scrape the hummus out of the blender or processor and into a bowl and stir in the parsley.
4. Serve with sliced veggies, or cover and refrigerate for later. It will keep for 1-2 days.

WALNUT & Roasted Pepper Dip

THIS DIP HAS ALL THE FLAVORS: SWEET, SALTY, SPICY, TANGY, AND UMAMI.

WE'VE USED JARRED PEPPERS IN THIS RECIPE, BUT IF YOU'RE FEELING ADVENTUROUS, MAKE THEM FROM SCRATCH BY ROASTING 2 LARGE RED BELL PEPPERS IN YOUR OVEN. SERVE IT WITH GOAT CHEESE, CELERY, CARROTS, OR PITA CHIPS. SO GOOD!

- 1 small lemon, juiced
- 2 cloves garlic, minced
- ¼ tsp cayenne pepper
- ¼ tsp cumin
- ½ tsp smoked paprika
- 2 Tbsp olive oil
- Sea salt, to taste

METHOD

1. Place the pomegranate juice in a small saucepan and bring to a boil. Reduce the heat and let simmer for 5-6 minutes, until it has reduced to about 2 Tbsp. Set aside to cool.
2. Toast the walnuts in a nonstick skillet over medium-high heat for about 2 minutes, stirring frequently to make sure they don't burn. Set aside to cool.
3. Drain and rinse the roasted red peppers and pat dry.
4. Place the walnuts and breadcrumbs in a food processor and process until they are finely ground. Add the pomegranate juice, red peppers, lemon juice, garlic, cayenne pepper, cumin, and smoked paprika and process until smooth. With the processor on, slowly drizzle the olive oil into the mixture.

PALEO SLOW COOKER

Brisket with Onion Gravy

Makes 6 servings

INGREDIENTS

- 1 Tbsp sea salt
- 2 Tbsp coconut oil
- 1 3-lb (1.4 kg) beef brisket
- 3 white onions, thinly sliced
- 6 cloves garlic, minced
- ½ tsp salt
- ⅔ cup apple cider vinegar
- 1 cup bone broth
- 1½ tsp dried thyme
- 1 tsp dried marjoram
- 1½ tsp dried rosemary
- ½ tsp pepper
- 1 tbsp honey

METHOD

1. Salt the brisket on all sides. In a large skillet, heat oil to medium high. Brown the meat on all sides. Remove from the skillet and set aside.
2. Add the onions and cook, stirring frequently, until the onions begin to soften, about 4 minutes. Add the garlic and cook for another minute or two, so that it caramelizes but doesn't burn.
3. Place the brisket and the onions in your slow cooker. Add the vinegar, bone broth, thyme, marjoram, rosemary, and pepper, being sure to spoon some of the liquid over the meat.
4. Cover and cook on low heat for 8-10 hours or high heat for 4 hours. Option: occasionally spoon some of the liquid over the top of the brisket.
5. When the brisket is very tender, transfer it to a serving plate and pour the liquid into a saucepan. Stir in the honey and place the saucepan on the stove over high heat. Let it simmer for 10 minutes. The mixture will thicken and reduce by about half.
6. Carefully taste and add more honey or salt if desired. Slice the brisket into ½-inch (1 cm) thick pieces and drizzle the gravy over it. Serve and enjoy!
